## 2022 Learning Series

### Webinar: ANCA Vasculitis, Management and ANCA Serial Measurements

After attending this event, participants will be better able to;

- Understand the development and identification of ANCA as a biomarker (pathogenesis info);
- Apply clinical strategies for the use of ANCA in the diagnosis and follow-up in ANCA Vasculitis;
- Appreciate and consider new advances for the role of ANCA in the management of vasculitis.

**Tuesday  
September 27th  
7:30-8:30pm EST**
