## 2023 Learning Series Webinar: Update from the French VSG *Two dates - French and English*

After attending this event, participants will be better able to;

1. Evaluate the duration and regimens for remission-maintenance in ANCA-associated vasculitis;
2. Consider the use of rituximab in Eosinophilic granulomatosis with polyangiitis (EGPA).

### Benjamin Terrier, MD, PhD

Professeur des Universités-Praticien Hospitalier  
Université Paris Cité  
Service de Médecine Interne, Hôpital Cochin
